Sport Newsletter

Hello Everyone!

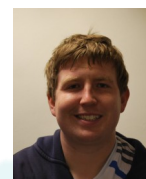

This newsletter is a chance for me as School Sports Coordinator to let you know of some of the great sporting achievements from the Bramley area and also to tell you about what sporting opportunities are going on in the next couple of months. I am sure some of you will have been watching the news and seen that the new government are taking away money for PE and School Sport. However, I am pleased to tell you that Leeds West Academy will continue to fund the School Sports Coordinator post into the future and will continue to provide your Primary School with numerous sporting opportunities.

In September I am really looking forward to showing you our new state of the art PE facilities such as a Climbing Wall, Fitness Suite, Sports Hall and Activities Studio amongst others! Visit www.leedswestacademy.org.uk to see the latest photos of the new building development.

Keep sporty,

Mr S Pocock

(Teacher of PE and School Sports Coordinator, Leeds West Academy)

Multi-Sports Club at LWA

All Primary Schools in the Bramley Area received invitations to attend a Multi Sports Club at Leeds West Academy. Mr Pocock hosted the club for Primary School pupils in Year 4, 5 or 6 with the help of 6th form Sports Leaders.

There were different sports on offer each week and it was a chance for young people to come and experience academy life. There was an excellent turn out for the sessions where attendees stated they had a really good time and made some new friends. Sessions were fun and relaxed, with emphasis on young people having a good time!

As part of the BTEC National Diploma in Sport, some Year 12 LWA students recently went in to Raynville Primary to coach basketball. They did really well and all of them achieved the merit criteria. The Year 4 students at Raynville were fantastic at basketball and really well behaved! Well Done!
